REGISTRAR ORDER
Under the *Retirement Homes Act, 2010*

Order Number: 2014-T0183-89-01
Date of Order: November 7, 2014
Applicant: In Touch Retirement Living for Vegetarians/Vegans Inc.
Retirement Home: Premises at 64 King Street, Toronto, Ontario M9N 1L3
Application Number: T0183
Order Information: In Touch Retirement Living for Vegetarians/Vegans Inc. (the "Applicant") applied for a licence to operate a retirement home and was refused a licence by the Registrar of the Retirement Homes Regulatory Authority (the "Registrar") on July 17, 2013. The Registrar's decision was appealed to and upheld by the Licence Appeal Tribunal on November 12, 2013. The Registrar believes on reasonable grounds that the Applicant continues to operate a retirement home without a licence, and therefore orders the Applicant, pursuant to section 89 of the *Retirement Homes Act, 2010*, to cease to operate the premises as a retirement home by November 28, 2014.
